Dr. Michael Hatzakis talks and lectures:

CME PRESENTATIONS

Hatzakis M. (2007) "Evidence Based Review of Automated Spinal Traction", Washington Association of Independent Medical Examiners, Bellevue, Washington

Hatzakis M. (2007) "Multidisciplinary Management of Chronic Pain", CME lecture, Whidbey General Hospital Whidbey Island, Washington

Hatzakis M. (2007) "Management of Headache Disorders", Women's Health Conference, University of Washington School of Medicine, Department of Nursing, Seattle Washington

Hatzakis M. (2006) "Magnetic Resonance Imaging in Peripheral Nerve Disorders", American College of Osteopathic Medicine National Conference, Las Vegas

Hatzakis M. (2006) "Role of Electromyography in the Assessment of Carpal Tunnel Surgery", Washington Association of Independence Medical Examiners, Bellevue, WA

Hatzakis M. (2006) "Functional Back Pain Assessment", University of Washington, Department of Neurosurgery Grand-Rounds Lecture, Harborview Medical Center, Seattle, WA, 98006

Hatzakis M. (2006) "Electronic Medical Records: Selection Process", Washington State Osteopathic Medical Association Annual Conference, Victoria, BC

Hatzakis M. (2006) "Back Pain Evaluation for Primary Care Physicians", VA Central Oregon Health Care System, Lecture Delivered to Eugene, White City and Roseburg Facilities, VA Oregon

Hatzakis M. (2005) "Electronic Medical Records: Should We?", Overlake Hospital CME Lecture Series, Bellevue, WA

Hatzakis M. (2002) "Management of Low back Pain", Pain Management Full Day Symposium, Washington State Osteopathic Medical Association, Seattle, WA

Hatzakis M. (2002) "Department of Veterans Affairs, Multiple Sclerosis Centers of Excellence", "Consortium of Multiple Sclerosis Centers Annual Meeting: half day course, educational exhibit, telemedicine demonstration, booth, and demonstration of web educational system", Chicago, Ill

NATIONAL INVITATIONAL PRESENTATIONS

Haselkorn J, **Hatzakis M.**, Kane R, Williams R, (2003). "Department of Veterans Affairs, Multiple Sclerosis Centers of Excellence: Health Service Delivery, Veteran and Provider Education, Research and Informatics." *Consortium of Multiple Sclerosis Centers, San Diego, CA*

Hatzakis M. VA-Special Interest Group: Communications Overview and Demonstration. *Presented at the 17th Annual Meeting of the Consortium of Multiple Sclerosis Centers, San Diego, CA 2003.*

Haselkorn J, **Hatzakis M.**, Williams-Avery R., & Rodriguez A. (2001). Linked Databases: A Methodology for Studying the Health Services Needs, Resources Consumed and Effectiveness of Services Among Veterans with Multiple Sclerosis. *Consortium of Multiple Sclerosis Centers Annual Meeting: ICODMS, Fort Worth, Texas.*

Haselkorn J, Avery R, **Hatzakis M.**, Blake K, Rodriguez A. Lessons learned from mining and manipulating veterans affairs (VA) regional databases: veterans with MS, health care utilization, and costs incurred. *Presented at the ICODIMS Meeting at the 15th Annual Meeting of the CMSC, Fort Worth, TX, May 2001.*

NATIONAL PRESENTATIONS

Coelho P, **Hatzakis M.** (1998), New Directions In Subacute Communications, Poster, *AAPM&R National Assembly*, Seattle WA, 1998.

Jha A, Coelho P, **Hatzakis M.** (1998), WebTV Primary Care Survey, Demonstration, *AAPM&R National Assembly*, Seattle WA.

Hatzakis M., Bryce T, Marino RJ, (1997) Cruciate Paralysis: Hypothesis for Injury and Recovery, *American Spinal Injury Association*, Houston, Texas. (Rec'd first-place poster award).

Hatzakis M. A Fellowship Database on the Internet, (1998), *AAPM&R Interim meeting*, RIC, Chicago, ILL.

Hatzakis M. Kovacs GTA, DellaSantina C, (1992), Automated System for Evaluation of Stimulation and Recording Electrodes, *Meeting of Neural Prosthesis*, National Institutes of Health, Bethesda, Washington (Stanford Medical Scholars Research Scholarship).

Hatzakis M. Wittich GR, et al., (1992), In Vitro Evaluation of Thermal Changes during percutaneous LASER discectomy. *78th Scientific Assembly and Annual Meeting of the RSNA*, Chicago, Illinois.

LOCAL PRESENTATIONS

Hatzakis M. Computer Access and Disability, Magee Rehabilitation Hospital Grand Rounds, February 1999.
